Strong understanding of OOP principles, RESTful APIs, database integration, and MVC architecture.

Education

Maa Shakumbhari University, Saharanpur
Bachelor of Computer Applications Duration: July 2022 – August 2025
CGPA: 7.0 /10

Internship

CETPA Infotech Pvt. Ltd., Noida
Java Full Stack Developer Intern Duration: September 2025 - Present

Technical Skills

- **Programming Languages:** Core Java, JavaScript, SQL
- **Frontend Technologies:** HTML5, CSS3, React.js
- **Java Technologies:** JSP, Servlets, JDBC, J2EE
- **Frameworks:** Spring Boot, Spring MVC, Spring REST
- **Database:** MySQL
- **Concepts:** OOPs, Exception Handling, Multithreading, Design Patterns
- **Tools:** Git, Postman, Apache, Tomcat, Chrome DevTools

Projects

Student Management System: I recently built a Student Management System using core full-stack technologies. This project helped me strengthen both backend logic and frontend UI design.

- Developed a CRUD-based web application using Core Java, JSP, Servlets, and MySQL
- Implemented database connectivity using JDBC
- Built features for student add, update, delete, and view operations
- Used session management and form validation for secure data handling
- Followed MVC architecture to ensure scalability and maintainability **LINK**

Coffee Shop Website: Designed and developed a fully responsive Coffee Shop website using HTML, CSS and JavaScript. Implemented a modern UI/UX design with smooth navigation, hover effects, and mobile-friendly layout.

- Implemented responsive design for all screen sizes
- Optimized UI for better user experience
- Added smooth hover and transition effects
- Followed modern UI/UX design principles **LINK**
